Infosession: LIRIAS ? a tool for research(ers)

Lirias is the institutional repository of the KU Leuven Association. Researchers are strongly advised to deposit their publications in this database.

Learn why Lirias is of importance to you and your research, how to increase the visibility of your papers, obtain recognition for your output and monitor the publication behaviour of your department.

Join us on one of our infosessions for researchers (in English) ? attendance is free, registration is required.

- **October 11 2012: 10.00-11.00**, ON2 04.230, Herestraat 49, University Hospital, 3000 Leuven. [Register](#) ^[3]

Hands-on workshops: How to work in & with LIRIAS

How to manage your publications in Lirias

Why do I have to submit my publications in Lirias? Can someone do this in my place? What do I have to pay attention to? Why is my u-number important? What can I adapt in my items, and why do I often need to ask for adaptations? Can I upload my article as Open Access? What has changed since March 2012?

- **October 17 2012: 9.30-12.30**, room 01.01 (LUDIT PC-Room D), Celestijnenlaan 200c, 3001 Heverlee). [Register](#) ^[4]

Publication lists, spreadsheets and graphs in Lirias

Need a simple layout for your CV? Or a more inspired one? Want to show your publications on a website? Rather see a bar chart of the number of publications in journals with a minimal impact factor of 1.5? A spreadsheet to calculate and plot your average number of citations?

- **October 24 2012: 9.30-12.30**, room 01.01 (LUDIT PC-Room D), Celestijnenlaan 200c, 3001 Heverlee). [Register](#).^[5]
